

Historic North Circuit

The Historic North Circuit is a popular tour among first time visitors to Ethiopia. You'll see the best that the North has to offer at just the right pace.

Omo Valley Adventure

Immerse yourself in the traditions and culture of the Lower Omo Valley with this 11 day adventure. Meet some of the 88 tribes in the region and discover their way of life.

Community Trekking

Our community trekking routes are among our favourite experiences in Ethiopia. Offering a unique insight into rural Ethiopia through trails off the beaten-track.

Classic Danakil

The classic 4 day Danakil trip works great as a standalone expedition or as part of a larger itinerary. You'll want to visit between October-February, when the temperatures are cooler (although still very hot).

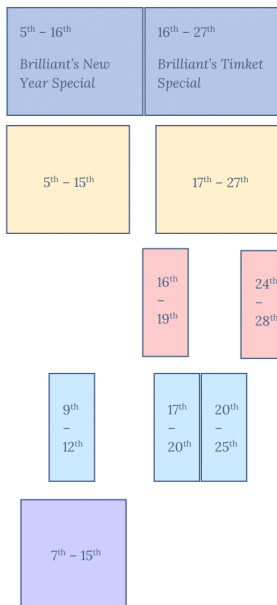

4 Days in the Simiens

The perfect complement for a longer visit. A few nights camping under the stars in the mountains of Northern Ethiopia is an absolute must for anyone planning a trip to Ethiopia.

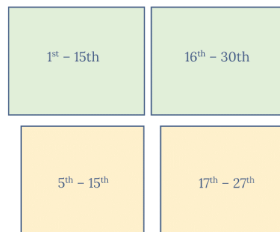

Best of Birding

We've distilled all the best bits from our comprehensive birding tour into this unique nine day experience. Bringing you the best of Ethiopia's diverse bird life, organised to perfection with our expert local guides.
